

Provisional Facilitators are required to submit a recorded session for review to become an Approved Connections Link Life Facilitator.

Please ensure that all of your participants who are present on this session have signed this form and consented to take part in this recorded session.

Submit a digital copy of the completed consent forms with your completed learning log for review.

<b>VIDEO/AUDIO TAPE CONSENT FORM</b>	
As part of our aim in offering a high-quality service, I am required to submit recordings of myself delivering a training session and intend to record the training session that you have signed up for. Review of tapes will furnish me with more ideas that will help me develop my facilitation skills. These tapes/video recordings will be viewed for these purposes by my approval tutor at Fresh Minds Education. Please read the following paragraphs and, if you are in agreement, sign where indicated.	
1. I / We consent to video/audio tapes being made of these sessions and to these tapes being used to aid the work and training.	
2. I / We consent to these recordings, or descriptions of them, being stored according to FME's Data protection policy.
